

VIENNA *after* DARK

NIGHT(S)-Science: Call for Abstracts

About NIGHTS @Vienna After Dark Conference

For the first time, the European NIGHTS conference for urban leisure activities, particularly those at night, is joining the conference Vienna After Dark. Following events in Padua, Brussels, Berlin, and Zurich, the story will continue from the 14th to the 16th of November 2024 in Vienna, Austria. All those involved in leisure, nightlife, and festival culture, whether independently or as representatives of industry, academia, politics, culture, administration, health, harm reduction, and awareness initiatives are invited to take part. The Vienna After Dark Conference is the ideal platform for international networking and exchange, with over 400 participants from across Europe.

Date: **14.11.2024 until 16.11.2024**

Place: Club U, Sass Music Club, der Salon im Künstlerhaus, Stadtkino
more tba.

About NIGHT(S)-Science

NIGHT(S)-Science aims to promote know-how transfer between academia and the private and public sector. NIGHT(S)-Science seeks to bring research and practice closer together. Submitted abstracts will be double blind peer-reviewed by our international scientific committees.
